

MCC Management Response to “Impacts of the MCC Transportation Project in Nicaragua”

**Jonathan E. Alevy, Ph.D; September
2014**

MCC welcomes this report. MCC Management has analyzed its findings and recommendations. Taken with other evaluations in this sector, the findings are an important source of learning for MCC. MCC will use these findings to inform its on-going and future sector and evaluation work.

MCC agrees with the author’s assessment that collection of additional data may help to understand better the longer term impact of the Project. MCC also notes that the author may produce revisions or extensions to this evaluation, if warranted. MCC will publicly release any future version of this work.>
